The information on this form is true and correct to the best of my knowledge. I agree to participate in the settlement. I authorize any dealership that serviced my vehicle to release records to Hyundai to help pay my claim. To the extent I am seeking reimbursement for a dealership repair and do not have a receipt or other documentation for the corresponding cash payment, I attest under penalty of perjury that I (or a friend or family member) paid for the repair in cash and I do not have a receipt or documentation for the payment.
